Dear Mr. McClanahan:

This is a final response to your 5 July 2010 Freedom of Information Act (FOIA) request, received in the office of the Information and Privacy Coordinator on 6 July 2010, for "**copies of a record that would indicate the ten individuals responsible for the most FOIA requests submitted (each) in Fiscal Years 2008, 2009, and 2010**." We have completed a thorough review of your request and have determined that our record systems are not configured in a way that would allow us to perform a search reasonably calculated to lead to the responsive record without an unreasonable effort. The FOIA does not require federal agencies to perform research, create records or conduct unreasonable searches through a body of material to see if any of it is related to a particular request. Therefore, we must decline to process this request.

Sincerely,

Delores M. Nelson
Information and Privacy Coordinator
